NEW!! SUMMER VIDEO CLUB (11-14 year olds) 10:00AM-3:00PM, Monday through Friday

This weekly workshop is for our older friends who are interested in solely focusing their summer time creating, writing, shooting, editing and creating short video projects to be shown at the end of the workshop/camp. We will be resurrecting our summer CAMP IDY NEWS feature, creating silly fun video content of camp activities for weekly viewings. We will also be working with some of our local Idyllwild Businesses to create a camper-made commercial/advertisement for a few of the businesses' social media. There may be some varying times due to editing and equipment sharing but this workshop will be held mainly from 10:00AM-3:00PM, Monday through Friday. Participants will not have to participate in camp arts/crafts/activities. Instead, participants can look forward to sharpening their storytelling beginning, middle and end - directorial and shooting skills, telling a story - storyboarding to keep focus/attention to detail and THIS YEAR learn/practice EDITING (with supervision).
