**NEW!! CAMP IDY 'TWEEN' CABARET**  
**2 Week Performance Workshop**

*Two sessions: July 8-19 + July 22-August 2*

Is your Tween Performer ready for the stage? Camp Idy Cabaret is a vaudevillian, variety show workshop that will show off your talents AND work your comedy chops in Improvisation and Sketch Comedy, Melo-Drama storytelling, Group skits, Jokes, Cheers, Songs and MORE! Bring your talents to the party! Sing your song with your guitar or Karaoke tracks! Perform your favorite dance routine with or without your dance troupe! Prepare to work on your feet for two weeks learning and practicing new material until our public performance at the end of each session! This workshop is specially geared towards ages 11 through 15 years old.

**CAMP IDY 'TWEEN' VIDEO CLUB**  
**2 Week Video Production Workshop**

*Session 1: June 10-21 FILM/TELEVISION Project*

Together we will choose between a FILM project or Television Episodic Project. Then participants will learn and initiate the factors that are required to produce the chosen format. We will consider the writing process; the production calendar: setting dates, time elements, gathering materials and deadlines; casting, acting, camera angles, creating props, sound balancing, editing and staying within our allotted time to produce our end result at the end of our session. Besides the technical requirements, participants are also encouraged to learn teamwork, sense of urgency and commitment. This workshop is specially geared towards ages 11 through 15 years old.

*Session 2: June 24 - July 3 - CAMP IDY NEWS and Community COMMERCIALS*

CAMP IDY NEWS was started in 2021 and is ICC's ongoing Kids Korner Video Project. A great workshop for beginners! In this workshop, participants learn to interview/be interviewed, create a feature segment using the who, what, where, why and how of storytelling techniques. Besides keeping our storytelling skills sharp, we also learn the importance of presenting one's self respectably, communicating and relating with others, speaking loud and clear, speaking with intent, and many more skills that can be applied to everyday life. *For those looking to be behind the camera*, besides filming/editing Camp Idy News, we have commercial making opportunities: making a short 30-60 second video promotion for a local Idyllwild business. Finished videos are shared on Friday Movie Days and sent to parents via email. This workshop is specially geared towards ages 11 through 15 years old.
